

22 February 2017

Dear Sir/Madam

East Perth Station Upgrade Out-of-Hours Works

As part of the East Perth Station upgrade, the following out-of-hours work is required:

- Sunday evenings between 10pm and 5am starting 26 February 2017 through to October 2017.

The work will take place on an as-needs basis so that construction material can be transferred into the rail reserve, supporting daytime works throughout the week. This needs to take place during these hours to prevent disruption to train services and ensure the safety of the workers, train passengers and the general public.

All works will follow an approved Noise Management Plan. While we don't anticipate high levels of noise from this activity, some disturbance is unavoidable. Monitors will be set up in various locations within the construction area to monitor noise levels. We apologise for these disruptions and any inconvenience they may cause.

Standard construction hours are 7am to 7pm, Monday to Saturday. During out-of-hours works if you feel there is excessive noise, please contact the **Site Supervisor** directly on **0428 358 569**. This allows them to immediately review the source of the noise and if possible, put mitigation measures in place.

Alternatively, for any other feedback or enquiries regarding the project, please contact Perth Stadium on 9428 1961 or email perthstadium@dsr.wa.gov.au.

The upgrade to East Perth Station is part of the Perth Stadium Transport Infrastructure project and the Public Transport Authority's program of Disability Discrimination Act (DDA) improvements. More information on this project can be found at www.perthstadium.com.au or www.pta.wa.gov.au/projects

Want to take a sneak peek at the upgraded East Perth Station? Through virtual reality technology, you can take a trip through the upgraded station and experience 360-degree views of what it will look like once the works are complete. To download the free app, visit the Google Play or Apple Store on your smart phone or tablet and type 'EPSU'.

Yours sincerely
