

We're growing to keep you going

Ride your bike. Carpool. Work from home. Take a break.

These are all tips to follow on Friday, 17 August when Perth Station closes from 10:30am until last service on Sunday, 19 August, with the following train disruptions:

- **Fremantle Line:** services will only run between West Leederville and Fremantle.
- **Midland Line:** services will only run between Claisebrook and Midland.
- **Armadale Line:** services will stop all stations between Claisebrook and Armadale.
- **Thornlie Line:** will close with train replacement buses from Cannington to Thornlie.
- **Joondalup and Mandurah Lines:** no impact

A CAT-style bus service will loop from Claisebrook to West Leederville via Perth Station.

From Monday, 20 August changes at Perth Station will see Fremantle, Armadale and Midland line trains depart from a different platform.

The disruption allows works to continue on sinking the Fremantle Line for the Perth City Link rail project.
