

# TransKarratha Service Disruption

Monday 17 October 2022

From Monday 17 October a road closure will take effect at the intersection of Millstream Road and Grant Street for approximately one week concluding on Friday 21 October.

TransKarratha route numbers 739 & 744 operating in the A.M and P.M will be affected. Three bus stops in this area will also be affected by the road closure.

Bus Stop No. 73255 (Millstream Road after Grant Street) is in the work-zone area and will not be accessible for passengers.

All students who catch a bus in this location will need to attend stop number 73254 which is located near the corner of Warriar Road and Millstream Road - approximately 300m East.

Bus Stop Numbers 73256 and 73254 will also need to be moved temporarily a short distance to ensure passengers are able to board on the correct side of the road. The temporary stops will be clearly marked.
