

# New Esperance bus services

From 3 July 2022

## New Bus Routes

From 3 July 2022, three new TransEsperance bus services will commence a 12 month trial. These services were designed following community consultation with the aim of improving public transport access to the town centre and surrounding suburbs.

These services are in addition to existing TransEsperance school specials.

The new routes will operate Monday to Friday as outlined below.

### Route 810

# TransEsperance Routes 810, 811 and 812

## Legend

- Bus Station
- Timed Stop
- Bus Routes
- Bus Route Numbers
- Bus Route starts and terminates
- Hospital
- Schools, University, TAFE
- Shopping Centre
- Parks

See the map above to view the routes and find your nearest stop.

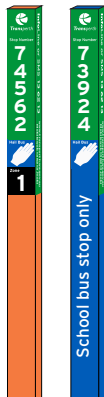

Please remember to be at your nearest bus stop five minutes prior to the departure time to avoid missing the bus.

## Which bus stop should I use?

We operate from two types of stops, orange and blue.

For Routes 810, 811 and 812 you must use orange stops only.

For School Specials both blue and orange stops can be used.

## How much will it cost?

You can travel anywhere on the new TransEsperance services for no more than \$3.30 and it is even cheaper if you use a SmartRider. Simply tag on and off using your SmartRider or purchase a cash ticket from the bus driver.

	STANDARD			CONCESSION		
	Cash	SmartRider - cost per journey		Cash	SmartRider - cost per journey	
		10% discount	20% discount		10% discount	20% discount
<b>2 Sections</b>	\$2.30	\$2.07	\$1.84	\$1.00	\$0.90	\$0.80
<b>1 Zone</b>	\$3.30	\$2.97	\$2.64	\$1.40	\$1.26	\$1.12

To purchase a SmartRider call **(08) 9072 1717** or visit the TransEsperance Retail Sales Outlet (RSO) at 86 Norseman Road, Esperance.

### Seniors SmartRiders

If you hold a Seniors SmartRider, you can travel for free on the new TransEsperance services between 9am and 3.30pm, Monday to Friday.

## Our Bus Fleet

TransEsperance operates a modern fleet of buses which feature:

- Low-floor design to provide easy access for all passengers
- Automatic ramps and the ability to “kneel”. This brings the floor of the bus closer to ground level, reducing the angle between the bus and kerb to improve mobility access
- Skid-resistant flooring in the wheelchair bays, designed to reduce the movement of wheelchairs while the bus is in motion
- Strategically located handrails and bus stop buttons to assist the mobility of passengers who may be impaired or have a disability.
- Climate control with air-conditioning and heating facilities for the comfort of passengers.

## Track your bus in real time!

Download Transperth app on iOS or Android to plan your journey and see where your service is at any point.
